| Report Author: Allison Greaves | Title: Clerk to the Council |
| Subject: BUS STOP ENHANCEMENTS FOR 2018 | |
| Strategic Aim: Work with and in partnership with Rutland County Council and other partner groups | |

There is currently no fixed programme for bus shelter implementation/bus stop improvements, so RCC are inviting all town and Parish Councils to submit their “wish list” in advance to be considered for the financial year 2018/19.

Decision required:

Would Council like to request a new bus shelter or simply a bus stop flag
Are any seats required at an existing shelter?
