

Report No. TC00519 Appendix: F Agenda Item No. 13	Council 13th February 2019
Oakham Town Council	
Report Author: Cllr Adam Lowe	Title: Councillor & Chairman
Subject: OTC Strategic Plan	
Strategic Aim: Work with and in partnership with Rutland County Council and other partner groups.	

Strategic planning is an organisation's process of defining its strategy, or direction, and making decisions on allocating its resources to pursue this strategy. It may also extend to control mechanisms for guiding the implementation of the strategy.

The attached document is at a high level and with time more detail can be added, it is flexible and can be adapted to the needs of the Council and basically is a start point in introducing better planning and focus of where the Council wants to go and what they want to achieve.

Once adopted it can be reviewed each year or every number of years depending on the Council direction.

Decisions:

- 1) Proposal that the Plan is adopted by the Council
