Subject: Oakham Magical Lantern Walk 2019

Dear Adam

I am writing now, to get permissions in place for another Magical Lantern Walk at the end of this year.

I have taken the decision to keep it to the Sunday evening, as people had travelled from miles around and a Sunday night won't be as much of a rush as on a 'school night'.

Which means we are looking at Sunday 10th November for this year's event date. Permissions will be sort again from All Saints' Church and Oakham Castle, with the hope of taking the same route - though this time a longer path around Cutts Close, so those in the procession get a better view of the procession itself.

I hope the Council will be happy with this proposal, I look forward to hearing back.

Best wishes,
Clare
