Rutland Youth Dance Academy have asked if they can perform their dance show before the proms as in previous years.

They have also requested permission to hire a bouncy castle.
It was decided after the freak accidents last year that OTC would not use bouncy castles on Cutts Close.
As this would be an outside body and they would be responsible for insurance and fees.

Decision required

Council approve the installation of a Bouncy castle, in Cutts Close, on the evening of 29th June 2019
