

## **APPENDIX C**

The Parish Council Liaison Group (PCLG) would like to invite a representative from your parish to join the PCLG to help us engage with the County as a whole and help us work towards influencing how our county can move forward. As we believe engagement is a two-way street, we are happy to send a representative from the PCLG to come to one of your council meeting to discuss with you our aims and objectives.

Our meetings are held the first Tuesday of every month at 2.30pm and held in Edith Weston
