

## APPENDIX C

Hi Allison,

Oakham in Bloom have agreed that our project for 2021 should be to install a seat for the Veterans at the entrance to the library on the grass butting up to the wall of the sensory garden and facing the flag pole. This will enable the Veterans to take part in the Remembrance commemorations in future years.

Unfortunately, the intended site will be obscured by the Town Council noticeboard and could we please ask if the Council could remove it and/or replace it on the other side of the path.

I understand from the Mayor that it will need to go before the next Council meeting next week and ask for the idea to be put on the agenda for discussion.

Kind regards

Oakham In Bloom
