Dear Resident

Tree Planting on Open Space Alsthorpe Road Oakham

I am writing to inform you of a tree planting proposal on the Alsthorpe Road open space and to give you an opportunity to put forward your thoughts.

We propose to plant twenty-nine trees, consisting of six horse chestnuts (*Aesculus hippocastanum*), twenty pine trees (*Pinus sp.*) and three oak trees as shown on the attached plans. The idea is to enhance this green space in terms of its appearance and ecological value. The trees will be placed to allow children and dog walkers to continue to enjoy this space.

The location we are proposing are twenty pine trees along the east and southern border, and the remaining trees will be placed more centrally closer to the north-west corner.

It is important for us to get your feedback and any objections that you may have before 4th December 2020. Please feel free to contact me to relay any comments that you have about the proposal. If we do not receive any feedback then we shall assume that you have no objections.

Yours Faithfully,

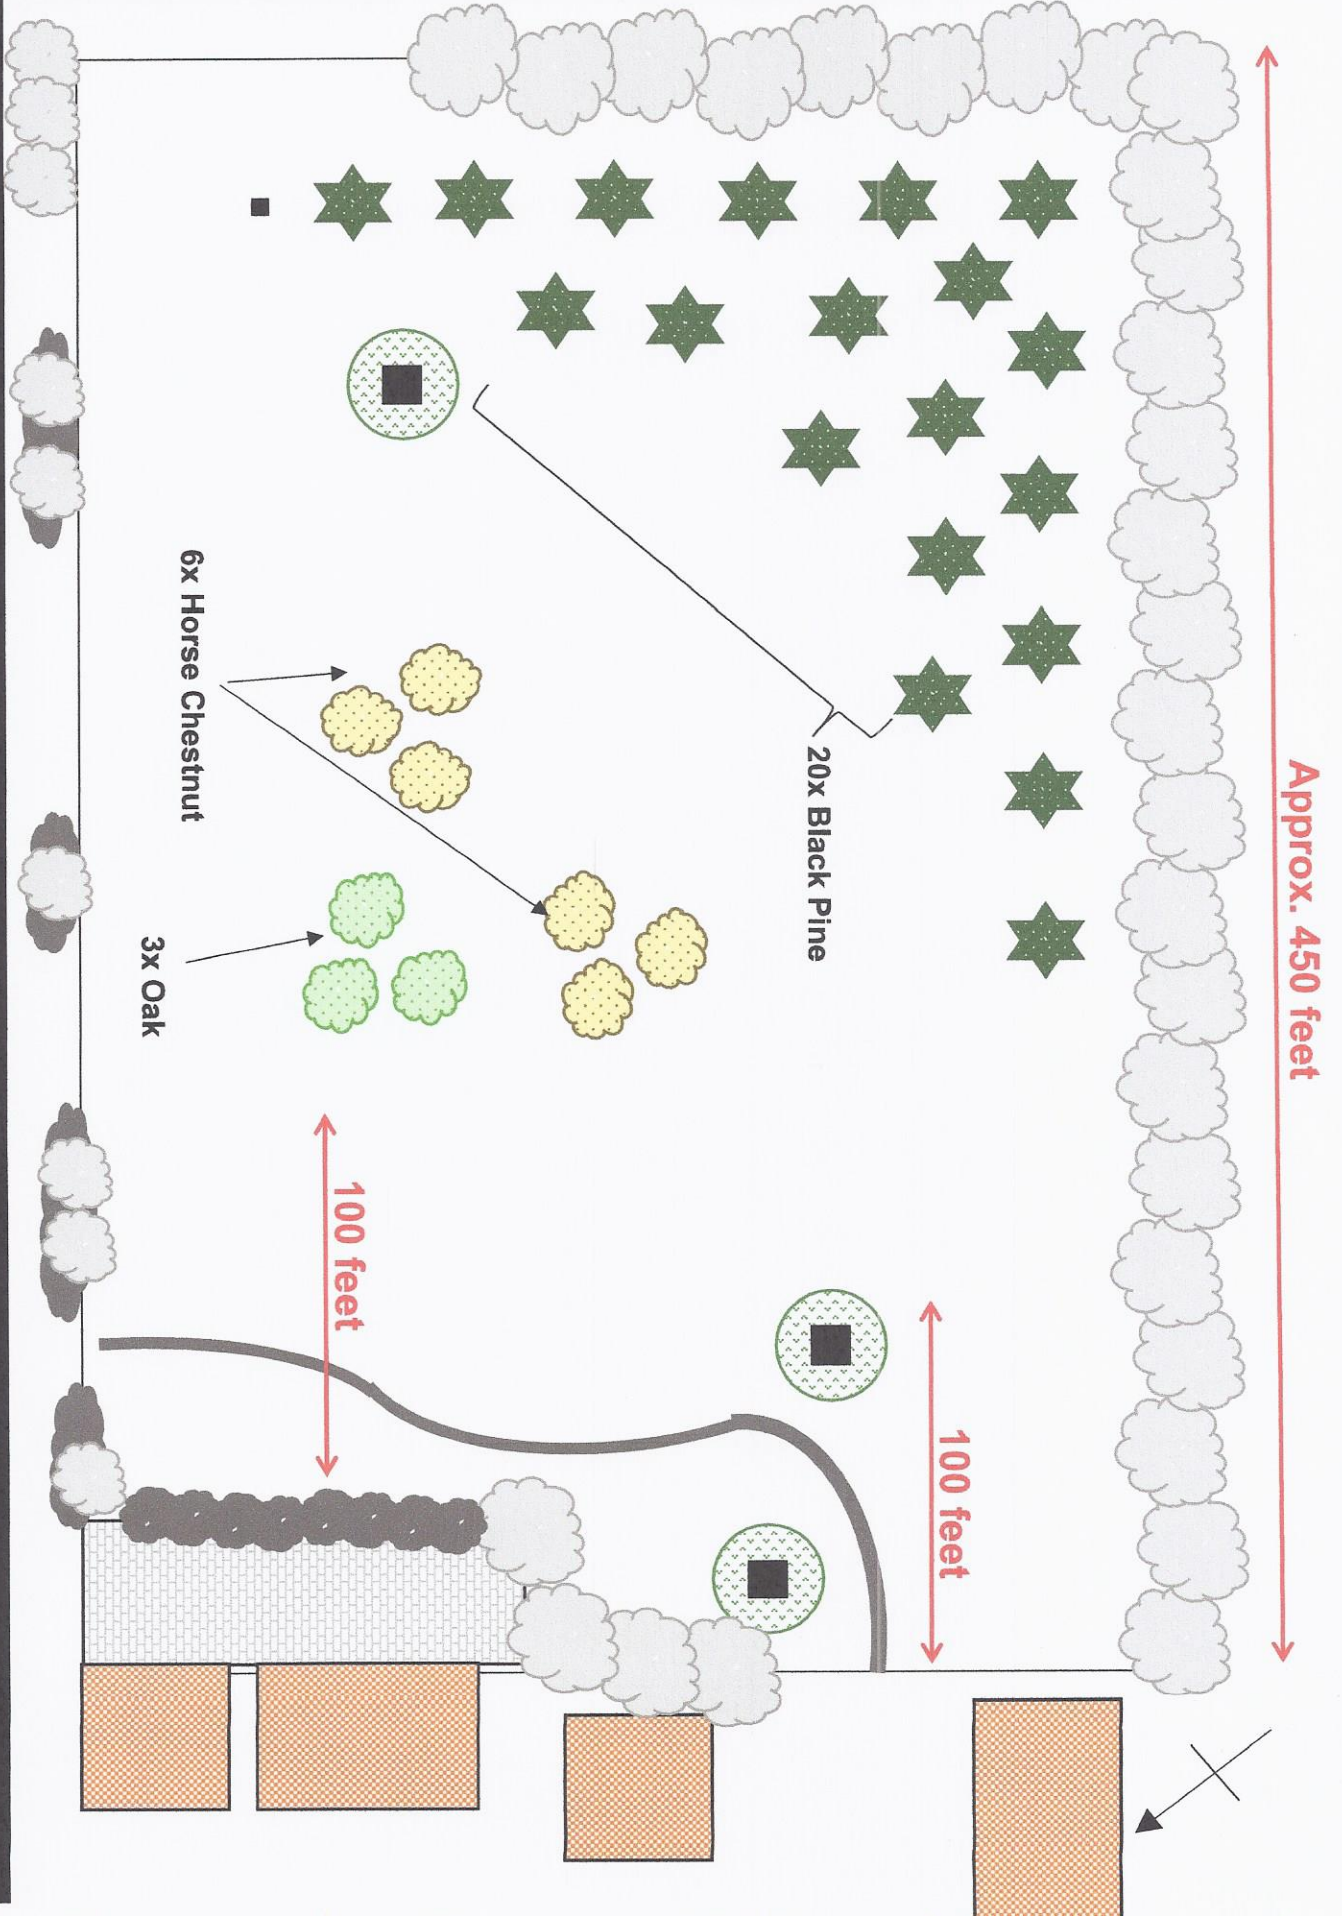

Stuart Kidd
