Dear Sir or Madam,

**Town and Country Planning (Local Planning)(England) Regulations 2012 –
Regulation 19 Consultation - Rutland Local Plan – Thursday 27th August 2020
until 4.15pm Friday 9th October 2020**

On Monday 10th February 2020 Rutland County Council approved the Pre-submission Local Plan to proceed to a public consultation. The purpose of this notice is to advise you that the Council is now seeking the views of the public, businesses and other interested parties on the draft new Local Plan for the County of Rutland. The new Local Plan including the policies map along with the technical evidence which supports the plan is available on the Councils website at www.rutland.gov.uk/localplanreview

In advancing to submission the Council has given careful consideration to the implications arising from the present social distancing measures, considering those who may be affected and how the Council can ensure such groups are not disadvantaged.

The Council is aware that not everyone can access information via the website or a paper copy of the Local Plan and the Council office is not open to the public. If you are in these circumstances please can get in touch with us through the Customer service telephone 01572 722577 to discuss alternative arrangements including booking an appointment slot to view the Local Plan at the Council office. We will work to respond to individual needs and try to provide a solution as best we can.

How can comments be made? Comments can be made using the online portal which can be found at www.rutland.gov.uk/localplanreview. In light of concerns about the coronavirus we are encouraging people to use electronic documents and submit their representations electronically wherever possible to help limit spread of the infection. There are however other ways to comment, using the Response Form or Response Booklet located on the webpage above or found in hard copy at the Council Office when viewing the Local Plan by appointment only. The full **Statement of Representations Procedure Notice** is enclosed and provides further detail on making comments. Responses which do not use the online portal or the Response Form or Booklet downloaded from the website or collected from the Council office may not be accepted by the Local Plan Inspector for consideration.

What type of comments can be made?

At this stage of consultation, the Council is seeking views on whether the Local Plan is legally compliant and meets the tests of 'soundness', as set out in the National Planning Policy Framework (NPPF). Comments should be targeted to specific

sections of the document, for example a specific policy or paragraph number. The following points should be taken into account when making comments –

Legal Compliance

- The Local Plan should have been prepared in accordance with the Council's latest Local Development Scheme.
- The Local Plan should be accompanied by a Sustainability Appraisal and Habitat Regulations Assessment.
- Consultation on the Local Plan should have been carried out in accordance with the Council's Statement of Community Involvement.
- The Council should have worked collaboratively with neighbouring authorities and prescribed bodies on strategic and cross boundary matters, known as the Duty to Cooperate.
- The Local Plan should comply with all relevant laws including the Planning and Compulsory Purchase Act 2004 and the Town and Country Planning (Local Planning) (England) Regulations 2012.

Soundness

- **Positively prepared** - provides a strategy which, as a minimum, seeks to meet the area's objectively assessed needs; and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where it is practical to do so and is consistent with achieving sustainable development.
- **Justified** - an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence.
- **Effective** - deliverable over the plan period, and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground.
- **Consistent with national policy** - enabling the delivery of sustainable development in accordance with the policies including the National Planning Policy Framework.

General advice on making comments - We are unable to accept anonymous representations. The name of respondents and the representations made will be available on the Council's website. Personal information such as telephone numbers, addresses and email addresses will not be published. The full Privacy Notice can be found at: <https://www.rutland.gov.uk/my-council/data-protection/privacy-notice/planning-policy/local-plan/>.

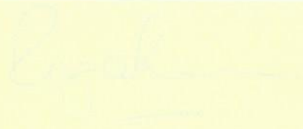

Comments which are deemed unlawful or discriminatory will be inadmissible and will not be accepted. You will need to fill in a separate form for each representation that relates to a different policy or issue.

Please keep comments as concise as possible and a summary of your response must also be provided if the response is greater than **1000 words in length**. Where there are members of a group who share a common view on the Local Plan, a single representation will be sufficient. In such cases, the group should indicate how many people it is representing and how the representation has been authorised by the members of the group.

When is the deadline for comments? 4.15pm on Friday 9th October 2020.

Thank you for taking the time to read this notice of consultation. Your comments are welcomed.

Yours sincerely

Roger Hanson
Planning Policy Manager

Why is the Regulation 19 consultation different from previous consultations?

Regulation 19 consultation is different to previous public consultations. The purpose of the Regulation 19 consultation is to address the following:

- **Has the plan been prepared in accordance with all legal and procedural requirements?**
- **Does the plan meet the prescribed tests of soundness?**

Please visit: rutland.gov.uk/localplanreview for information on the test of soundness and further details about taking part in the Local Plan Consultation.

What next?

- All Representations received during consultation will be considered by the Council and summarised before being sent to the Planning Inspectorate together with the Local Plan.
- The Planning Inspectorate will conduct an independent review of the plan and the representations made, to determine whether the plan is "sound". This is called an Examination in Public.
