

APPENDIX G ITEM 14

Dear Ms Greaves

As you are aware Oakham in Bloom launched a community project, to install a Memorial seat at the library entrance facing the flagpole. The seat is Lest We Forget as we thought it is appropriate and will cover all veterans of every conflict.

The cost is approximately £1,400 which includes VAT and delivery . We have secured donations from various sources but would like to ask if Oakham Town Council would meet any shortfall (£250) if needed.

Oakham in Bloom would like to demonstrate to the East Midlands in Bloom judges that the whole community are engaged in this project and would like Oakham Town Council to be included so that it shows the whole community is involved.

Here is a photo of the proposed seat.
