Quotation - Royce Field Basketball Court

Thankyou for your interest in Playscape Playgrounds.

Further to my site visit and our discussion, I have pleasure in enclosing our costing for the project required.

All prices quoted are inclusive of all fitting and installation costs, waste removal and delivery.

All prices exclude VAT.

Playscape Playgrounds use our own fully trained fitting teams for all of our work. We do not employ sub-contractors, therefore we remain in total control of your installation from start to finish.

Playscape Playgrounds are enhanced DBS checked, RPII certified and fully insured for your peace of mind.

- New hard standing to measure 15m x 15m (roughly a half sized court)
- Remove and dispose of existing tarmac hard standing surface
- Install concrete edgings around perimeter
- Install sub-base as required but no less than 150mm
- Install Macadam top coat as playing surface
- Install thermoplastic markings to denote 'three point area'
- Retain existing basketball post and hoop with new chain net
- £13920

We do not want to incorporate the existing surface and 'just make it larger' as it will be prone to cracking and different degrees of movement. The better and longer lasting solution is to start again with an 'all new' surface.

All prices are plus VAT.

Thankyou, once again for your interest. If I can be of any further assistance, please do not hesitate to get in touch.
