

APPENDIX Bi

Dear members

You may recall my request last year regarding the possibility of using Cutts Close for the Rotary Club of Rutland's Santa fun run, and I was wondering if I might make the same request again (subject to it being permitted), this year.

Again it would be a Sunday morning in early December, either the 5th or 12th, lasting for about an hour.

A decision on this would be appreciated so that we can start planning accordingly.

Sincerest regards,

Richard Simmons, Rutland Rotary Club.
