

APPENDIX Hi

Dear Oakham Town Council

Please can I ask the Town Council for permission for the following

Venue – Cutts Close with use of the bandstand

Date – Wednesday 13th October 2021

Times – 14:00-16:30

Activity – The youth team already visit Cutts Close on Wednesdays for detached work with local young people. On this date we would like to capture as many young people as possible when they finish Catmose College. We plan to signpost them to activities taking place during half term. It would be great if we could get a DJ or sound system on the Bandstand as having some music will create a bit of a buzz and may help attract local youngsters. We may ask local police/fire service to head down and play some football with those that wish to.

This will all be weather dependent! Thanks very much.

Best regards

Melody
