

Oakham Town Council

Report No. pendix: Item No.	Ap- Agenda	Council STAFFING Date of Meeting: 29 th March 2023
Report Author: Cllr Lowe	Title: Salary	
Subject: Salary		
Strategic Aim No. 7 Ensure robust financial controls are in place to enable the delivery of cost effective services as required now and in the future.		

With the current situation with the Clerk and the outstanding salary owed subject to certain conditions being met. Nothing can be gained by withholding the final payment.

The set of Keys that have not been returned are not a just reason to withhold payment and as a requirement to conclude our end of year financial governance it would be beneficial for the Council to conclude the matter.

(1) Proposal - The Former Clerks final payment is made and their P45 forwarded accordingly.
