OAKHAM TOWN COUNCIL

Report Author: Sally-Anne Wadsworth	Title: Chairman
Subject: Surround to the toilet block	
Applicable Strategy:	

Background: RCC have had an accessibility audit done by an independent body for their car parks. Because the surround of the toilet block on Church St is within the realm of the OTC license, they have sent the following observations to us.

**Uneven paving to the north side of the WC block
Cracked and uneven paving adjacent to the WC block
Lack of drop kerb and tactile paving at the entrance and exit of the site.**

Proposals: To ask the Deputy Clerk to price up the repairs and bring back to the next meeting
