Part 2: A Description of your idea

What do you want to do?

We are hosting our 2nd Pride event. We will be using Cutts Close and having a Pride March from Oakham Castle. We are seeking funding to help with this year's event to enable us to use fundraising as a launchpad for future events.

Part 3: Your Community

Who would benefit from your project?

Pride is an event for all local people. We are particularly keen on engagement from young LGBT+ people. These youngsters are often vulnerable and suffer from loneliness and isolation. This is a very inclusive event with a focus not only on LGBT+ but also accessibility, families and education.

What difference will your project make?

This event allows us to continue the work done last year and will help establish us as an annual event. We have had positive feedback from young people, families, schools, and the local businesses who benefit from increased foot fall in town last year.

Part 4: Monitoring

How will you monitor the project once it has started?

This event will be fully planned. We have worked with community champions to ensure that all safety and security measures are in place.

Part 5: Funding

What is the total cost of your project? (Please remember to enclose two quotes if applicable)

£ see attached document

How much money are you applying for?

£2000

Have you applied for funding from anywhere else? Please give details

No, although we are planning fundraisers and have received a donation of £500 from Peterborough Pride.

Please give an approximate breakdown, if applicable, of how you expect to spend the money:

I have attached a document with a breakdown of costs

If your application is unsuccessful, are funds available to ensure your project goes ahead? If yes, please give details:

We currently have sufficient funds to support (a version) this year's Pride event. We would need to forgo some of the accessibility measures e.g onsite disabled access portaloos) so would not be as inclusive for those with disabilities
