Report Author: Cllr Lowe		OBNHP
Subject: OBNHP Working Group		

With the adoption of the OBNHP the Council do need to review it, in partnership with the public and the Barleythorpe Parish Council.

Do we set up a committee or a Working Group.

Who would make up this group.

The groups once established can produce a set of terms and conditions as well as appoint a Chairman and Deputy and choose have people on the group from outside of the Councils.

Proposal: OTC Initiate the formation of a With a view to contacting Barleythorpe Council which would see the OBNHP evolve and develop.
