OAKHAM TOWN COUNCIL

Report Authors: Joyce Lucas	Title: Councillor
--	--------------------------

Subject Enhancement of Cutts Close.

Strategic Aims:

1. Ensure that Oakham remains a viable and pleasant environment in which to live, work and play.
2. Promote the town as an attractive place to visit and stay

Many years ago I walked Cutts Close with the police to identify how Oakham Town Council could reduce the vandalism in the area.

It was suggested that the shrubbery around the bandstand be removed and the area grassed, as young people were hiding in the bushes to smoke.

It was also suggested that the seats at the shelter should be removed.

My suggestion would be to remove the seats and build outwards to the footprint and no further. Add two new seats in open areas where the police can easily identify problems.

The bird boxes need to be replaced. All bird boxes to be cleaned each year, after the new brood have fledged.
