

Good Afternoon

We are looking at extending the residential home, Willowbrook, which is on Willow Crescent, Oakham.

The land that Willowbrook stands on is leased to us by Oakham Town Council & as such we are seeking your permission to apply for planning permission.

We are looking at a single storey extension to the south of the property. I have included a map of the site & proposed extension.

I would appreciate a prompt response as to whether we can pursue planning permission.

Many Thanks
