OAKHAM TOWN COUNCIL

Report Authors: Cllr Paul Buxton	Title: Flowers 2024
---	----------------------------

Subject Flower Tenders

Strategic Aims:

- 1. Ensure that Oakham remains a viable and pleasant environment in which to live, work and play.**
- 2. Promote the town as an attractive place to visit and stay**

The summer floral displays this year was excellent.
Can we extend the present contract for another year for about £15,500 or are we now obliged to go to tender now? The reason being given the expected increase in footfall due to the “statue” being in place, we want the town to look at its best this year too and we cannot be sure what sort of display a new contactor will give us.

Proposal:

Give Window Flowers another year contract to ensure another wonderful display of flower displays in the town.
