**11/2023-13 RUTLAND COUNTY COUNCIL NOISE COMPLAINT:**

The Chair indicated there had been five complaints over the summer regards the musical events at Cutts Close. There had also been a complaint to RCC which had resulted in correspondence from the Environmental Office at RCC. A suggestion that the events be reduced from 15 to 12 and that the Council purchase a type 2 sound meter to monitor future events was made.

Cllr Wildbore, Clark and Williams voiced concern over the number of events held and also the type of music, many with a heavy base. Cllr Lucas agreed saying that she clearly could hear the event in Willow Crescent.

It was proposed by Cllr H Williams and seconded by Cllr C Clark that a Type 2 Sound meter be purchased. Carried unanimously.

**11/2023/15 RENEWAL LEASE PRINCESS AVENUE:**

The lease is ready for signature with the addition of a six-month termination clause. Concern was raised over the EPC rating of the building and it was agreed this needed investigating. It was proposed by Cllr H Williams that the contract is signed and seconded by Cllr C Clark. This was carried.

**11/2023/16 GROUNDS MAINTENANCE CONTRACT:**

The Town Clerk apologised that a late email had been received that clearly may alter the Council's views on how to proceed. The present grounds maintenance contract terminates at the end of November and is with BIFFA. BIFFA have just informed the Council that should the Council request a new tender process they would not be able to bid due to an ongoing review of their service provision. BIFFA had suggested an extension to the existing contract until the end of March, when they should be able to bid. This short-term contract would be with the same price and services as the existing contract. Cllr A Lowe proposed, and Cllr C Nix seconded that the Town Clerk should draw up a new contract for this period. Carried unanimously.

**11/2023/17 CLEANING OF TOILET FACILITIES CHURCH STREET :**

The Town Clerk stated that this contract ended at the end of November and therefore the Council needed to decide if the contract should be advertised. Members of the Council were concerned with the level of cleanliness of the toilets and the time keeping regards the opening and closure of the toilets. It was stated that it clearly was not being checked regularly (in the contract four times a day).

The Chair requested that alternative options were investigated such as splitting the cleaning and security features. Cllr Buxton pointed out that a poor toilet would not encourage visitors to come to Oakham. There were also issues with the soap dispensers and the heating of the block.

It was proposed by Cllr Ainsley and seconded by Cllr C Nix that the Town Clerk investigated these issues explore alternatives and also contact the existing contractor. Carried unanimously.

**11/2023-18 CUTTS CLOSE PLAY AREA:**

The Town Clerk circulated three quotations for the replacement / upgrade of the play surface at Cutts Close play area. He stated that there are basically three ways to rectify the situation with prices varying from 15K to upwards of 40K.

1. The simplest and cheapest method is simply to repair the existing surface
2. The next cheapest method is to repair the existing surface and overlay a new surface. The advantage with this is the existing surface is used to ensure the fall height safety of 1.5m is covered and a new fresh look is achieved.
3. The most expensive option is to take up the existing surface , check the existing ground conditions and improve if required and then lay a course underlay followed by a finer surface. Obviously, there is also the issue of disposal of the existing underlay which could be expensive and have an environmental impact.

The Council agreed that a more detailed review was required, which would require site visits arranged by the Town Clerk. This was proposed by Cllr S-A Wadsworth and seconded by Cllr Ainsley. Carried and Cllr Hall abstained.

**11/2023-19 BOWLS CLUB LEASE:**

The Town Clerk highlighted that the current Lease Contract extends until 1<sup>st</sup> April 2027, however the Bowls Club are keen to extend the lease with a new contract so that they can apply for a grant for which they will need as a minimum a ten year secured lease. There have been some negotiations already, which have led to the discovery of a separate contract for the use of the car park.

There followed some discussion on the scale of the rent considering this is a community asset. It was proposed that the Town Clerk negotiate with the Bowls Club using a similar model established in the Tennis Club contract which would include the insurance for the property being the responsibility of the Club and including the Car Park into the Lease Contract. The Town Clerk agreed that he could do this and would bring back a revised contract to the Full Council for consideration.

Cllr C Nix proposed and seconded by Cllr C Clark. Agreed unanimously.
