

Dear Sallyanne,

Can this please go on the R & P as no cost to the council...and the Baptist Church do it every year.

Also, I'll be in touch about the Oakham Baptist Picnic in the Park on 1 September, but plans are coming together and we would be grateful for access to the electricity in the little hut again, similar to last May. The event is scaled down but will still involve a café and live music.

Speak soon and thanks for all your help. 😊

Regards

Suzanne
