Part 2: A Description of your idea

What do you want to do?

The War memorial (WW1 & WW2) requires cleaning. It has moss growth and general dirt built up since the last clean.

Due to the historic nature and fragility of the monument we would be using an external monument cleaning company.

Part 3: Your Community

Who would benefit from your project?

Due to 2025 being a commemoration of VE & VJ the recognition of those fallen and their families would be honoured by this project. The wider community of Oakham who visit the Church and the Church yard, specifically the monument would be able to acknowledge the sacrifice of those men and women of the world conflicts,

It would generate wellbeing, admiration and pride in their Town and that the town do remember.

What difference will your project make?

The memorial, due to moss growth mainly, has become unreadable and some names are obscured. Cleaning will revitalise this historic monument.

Having had a request from family the opportunity for them to reflect and be aware that their family who served are not forgotten will be immeasurable.

Part 4: Monitoring

How will you monitor the project once it has started?

The work is completed within a couple days and once complete the work would be inspected; however it is anticipated it will be noticeably brighter and the ability to read the names once again will be very evident.

Part 5: Funding

What is the total cost of your project? (Please remember to enclose two quotes if applicable)

How much money are you applying for?
