Welcome to

Discover Oakham

THE Hub for Local Businesses, Events & Community Life

Discover Oakham is a brand-new digital platform, designed to showcase the very best of our beautiful market town. Whether you're a shopkeeper, business owner, or part of a community group, this is your space to connect, promote, and thrive—right here in the heart of Rutland.

Funded by the council and proudly supported by The Rutland Webdesigner, Discover Oakham brings together everything that makes our town special, all in one place. From high street favourites and hidden gems to upcoming events and community activities, we're putting Oakham on the digital map—for locals and visitors alike.

It's taken time and effort to gather the listings currently on the site, but we understand that some details may be out of date or that certain businesses may not yet be included. If you're a business owner and your information is incorrect—or missing entirely—please don't hesitate to contact me at nitesh@rutlandwebdesigner.co.uk or my colleague at nupur@rutlandwebdesigner.co.uk, and we'll be happy to help get you listed with the correct details.

Why get involved?

- **It's completely free** to list your business or event
- **Reach more people** in and beyond the county
- **Drive footfall** and local tourism
- **Join a growing network** of proud Oakham businesses and groups

This is more than just a directory—it's a movement to celebrate local life, support our town centre, and build a stronger, more connected community.

IMPORTANT: Please note that this platform has not been promoted to the public yet as we want to ensure we have as much correct content added before we go live. Because as we all know, there are some people out there who want to focus on what's wrong rather than what's right!

We have targeted a launch for end of August allowing time for you, fellow business owners and community groups to get on, updated and listing events!

Let's show everyone how amazing Oakham is!
