With its enhanced design, the Pembridge Picnic Table now comes in a Wheelchair Access model, providing extra space for a wheelchair or mobility scooter on one side.

This picnic table comes with either black or brown Enviropol® material slats or for a natural wood-effect look made from 100% recycled material or light brown or dark grey Timberpol® material slats which

Recycled material, or light brown or dark grey timber-pole material slats which contain a wood/polymer composite made from 95% recycled and sustainably sourced raw materials.

Please note: Heavy duty product with weight up to 176kg. The Pembridge Picnic Table is delivered part-assembled on a wooden pallet. Use of a pallet truck is advised. Safe manual handling also required. Please refer to the Delivery and Assembly video for details.

Optional Memorial Plaque:

A laser etched, stainless steel memorial plaque with your choice of dedication can be supplied with this picnic table. It is ideal for outdoor environments and will keep its appearance for many years with minimal maintenance.

Laser etching offers greater flexibility for your message and can even include simple graphics. When you place an order, we will produce a computer visual that will be sent to you to ensure the wording is exactly how you want it. Once we receive your approval, your plaque will be engraved as quickly as possible.
