What activities, if any, are you currently involved in within the community?

Currently I do not actively participate in many activities within the Oakham community. However, being the father to a two year old, we do support events throughout the calendar year such as the Christmas light turn on, the Cutts Close Sunday afternoon music events.

What experience do you feel you could bring to the Council?

Commitment, engagement, listening to understand. These are all skills that I use daily to help improve myself personally and professionally. I enjoy technology and the advantages it brings, but equally I am very grounded in my values.
