AGENDA ITEM – OAKHAM IN BLOOM PLANTER SIGN PLACEMENT – APPLICATION FEE

FULL COUNCIL MEETING – 10th November 2026

For Decision

Request from Oakham in Bloom.

RCC have advised that the application for Advertisement Consent can be made for all the planters on one application, rather than separate ones for clusters of them, which is helpful but the fee is £610. It is reduced by 50% if it is submitted by OTC.

Can we please work out a way to do this together. I understand they will need a list of them all, a map showing locations and photographs of each cluster of planters - ie 3 at the railway crossing , 2 at B & M etc .

Would the Town Council be willing to pay the reduced fee?
