

Agenda item 27 – Call for sites

Council to consider a response to the following email received from RCC:

Rutland Call for Sites 2026

Rutland County Council (RCC) is currently undertaking a Call for Sites exercise. The Call for Sites will open on Monday 1st June 2026 and close on Friday 31st July 2026 at 4pm. Submissions received after this date may still be considered where appropriate.

Please note that if you submitted a site in the 2022, 2023 or 2025 Call for Sites exercises or through the current Local Plan process, you **must** resubmit your site to the 2026 Call for Sites. If a site is not resubmitted at this opportunity, it will not be considered

Please note that submitting a site means it will be considered and assessed for its potential suitability for future development. This does not guarantee allocation for development in a Local Plan or that planning permission will be granted. Information received through this process will help inform technical documents forming part of the Council' Evidence Base.

A separate submission form must be completed for each site put forward for assessment. The online form includes guidance notes and help boxes to assist applicants. Information required will include details of the site location, proposed use, ownership, availability, planning context and constraints, and anticipated delivery timescales.

Before submitting a site, please read the Council's Privacy Policy. Please be aware that information submitted, including site details and responses, will be made publicly available and used by RCC to inform the preparation of the Local Plan.

You can submit your site through the Call for Sites 2026 on our web page [Call for sites 2026 | Rutland County Council](#)

If you have any questions or require any further information, please contact the Planning Policy Team by email at localplan@rutland.gov.uk or by telephone on 01572 720 902.

Yours faithfully

Roger Ranson, Head of Planning
