

Councillor Report – Cllr Sally-Anne Wadsworth

On the 21st June, Father's Day, we began the music in the park season.

We had the Houndogs entertain the public. It was a very well attended event, actually maybe the biggest crowd we have ever had. The feedback from the public was great. The weather was hot and everyone was happy from the young to the old.

On the 28th June, we held Armed Forces Day, Party in the Park jointly with Dr Sarah Furness, the Rutland Lord Lieutenant. Again, this was very well attended with lots of stalls and music provided by Alan Jackson and Rutland Big Band. We had a group of primary school children perform a poem and sang 3 songs plus the morris dancers. We had free bouncy castles for the children. The LL was giving out free drinks. It was also mentioned how lovely and clean our toilets are on Church Street.

It would have been nice to see a few more councillors at the events to meet and greet the public. The Sunday events happen every Sunday until 30th August, 2.30-4.30. Please do come down and show your support.
